

Subaru Vehicle Modification Reimbursement Program

HELPING TO GIVE YOU THE FREEDOM TO GO ANYWHERE.

Overview

Subaru designs vehicles with active safety in mind that sets it apart from all the competition. Every Subaru features a boxer engine and Symmetrical All-Wheel Drive that gives drivers a strong sense of control, maneuverability and security. No matter the challenge, Subaru is the vehicle for an active lifestyle, getting you where you need to go.

In order to provide the benefits of Subaru active safety to those who most appreciate the freedom of driving, we have developed the Subaru Mobile-It-Ease™ Program. This pro-

gram provides reimbursement assistance up to \$500 for necessary vehicle modifications due to medically recognized physical disabilities.

An award-winning combination of exhilarating driving performance, engineering excellence, go-anywhere capability and uncompromising safety. That's what makes a Subaru, a Subaru.

Program Qualifications

- Applies only to the purchase of new Subaru vehicles from authorized Subaru retailers in the United States.
- The Mobile-It-Ease™ program covers only necessary equipment to adapt an eligible Subaru vehicle for persons with disabilities. The adaptations require a prescription or letter from a medical doctor. (Subaru factory optional equipment is not reimbursable under this program.)
- Subaru will reimburse up to \$500 of vehicle modifications.
- Vehicle modifications must be made within six months of vehicle purchase. A properly completed Claim Form for reimbursement along with all necessary supporting documentation (listed below) must be submitted to the Subaru CDS Department within 180 days of installation (refer to address on claim form).
- The decision on eligibility from Subaru of America, Inc. is final.

Typical Vehicle Adaptations

The following items are considered obvious adaptations that would qualify for this program, though they may not apply to your vehicle. If your adaptation is not on this list, or if you have any questions, please call **1-800-SUBARU-3** for pre-approval.

- | | | | |
|-------------------------------------|-----------------------------------|---|---|
| • Reduced effort brakes | • Hand controls | • Siren detectors | • Wheelchair and/or scooter lifts or ramps |
| • Driving consoles | • Left foot accelerator | • Steering system - emergency back-up | • Wheelchair carrier on top of vehicle |
| • Elbow switches | • Parking brake - electric | • Steering system - reduced and zero effort | • Steering devices |
| • Emergency back-up brake system | • Parking brake - extension lever | • Turn signal lever for right hand | (Factory option power seats are not eligible for reimbursement) |
| • Foot control steering | • Quad key holder/turner | | |
| • Gear selector lever for left hand | • Servo assisted controls | | |

To find a vehicle modification installer in your area, please contact the **National Mobility Equipment Dealers Association (NMEDA)** at 1-800-833-0427.

Freedom of adventure. It's what makes a Subaru, a Subaru.
